The course is based on the 2010 Boy Scouts of America Wilderness First Aid Curriculum and Doctrine Guidelines, and helps course participants learn how to respond to more than 25 first-aid emergencies – during times when help may be delayed. It's a great resource for scouts, outdoor enthusiasts, or anyone who works in a remote environment.</p> <p><u>2nd semester</u> will be “The Basic Life Support Participant’s Manual” includes all foundational concepts covered in the American Red Cross Basic Life Support course. Emergency care components covered for adult, child and infant patients include recognition and care for patients experiencing respiratory arrest, cardiac arrest, airway obstruction and opioid overdose.</p> <p>At the end of the year those 16 and up will test for a Red Cross certified instructor for a BLS certification.</p>	\$10 fee plus students much purchase books. https://www.redcross.org/store/basic-life-support-participants-manual/755010.html?cgid=books-and-dvds#start=5&cgid=books-and-dvds https://www.redcross.org/store/wilderness-and-remote-first-aid-emergency-reference-guide-and-pocket-guide-rev-9-14/656237.html#q=Wilderness%2Bpockwt%2Bguide&searchtype=product&lang=default&start=1
12:30 – 1:30	Psychology from a Christian Perspective 9th-12th MAX 15	Holly Myres Emily Solomon	7- Sisters Homeschool Intro to Psychology from a christian perspective. This is a half credit class.	\$10 fee
12:30 – 1:30	Photography for Beginners 7th-12th MAX 10	Laura Hopkins	This class will be focused on teaching students about exposure, composition, light and the many factors that create a photo. Students will be required to bring a camera to class. My suggestions are Canon, Rebel, Nikon D3200... something in that family is great for your student. Preferably the camera needs to have an option to shoot in manual mode. Please call or text if you have any questions. 256-616-7584. (If you already have a camera DO NOT BUY ANOTHER ONE. Your student can create excellent photos with any camera they have in their hands!)	\$10 fee
